

Year 3 – At the start of the year the class teacher will recap on the NCETMs Ready to Progress Documents to get to know the children and prepare them for the White Rose units. This recap should be during the first part week and if needed go into the second week of the year. Teachers can adapt the units to suit their children and the number of weeks in the term. All units should stay within the term they are placed in, to ensure children can access the White Rose end of term assessments.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number Place value			Number Addition and subtraction				Number Multiplication and division A				
Spring	Number Multiplication and division B			Measurement Length and perimeter			Number Fractions A			Measurement Mass and capacity		
Summer	Number Fractions B		Measurement Money	Measurement Time			Geometry Shape		Statistics		Consolidation
