

Child's name and class _____

The theme for 'The Year of Reading 2026' is 'Read Your Way!' I hope the options below inspire your child to find something they enjoy reading, which they may not have thought of.

<p>Read a book outside. <i>In the garden, at the park or even on your door step!</i></p> 	<p>Read something with rhyme. <i>A rhyming book, poem or even a nursery rhyme.</i></p> 	<p>Read something that makes you laugh. <i>A silly story, a comic or a funny poem.</i></p> 
<p>Read in a cosy spot. <i>A blanket fort, a pile of cushions, under the table - anywhere that feels snug.</i></p> 	<p>Read to a toy, teddy or an action figure. <i>You can be the teacher!</i></p> 	<p>Read a menu or a recipe.</p> 
<p>Read a book about another country. <i>It could be where your next holiday might be!</i></p> 	<p>Listen to an audio book for 10 minutes. <i>It could be while you're in the car or at bedtime - you could follow along in the book.</i></p> 	<p>Read in your pyjamas during the day!</p>
