Attendance Matters
A Message for our Year 5 families

The Final Primary Push -

Why Excellent Attendance Matters Now More Than Ever

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

The Summer Term in Year 5 – Preparing for a Strong Finish

Why

the

summer

term

is

important

As your child completes Year 5, the final term is a vital time to:

- Reinforce key knowledge and skills
- Develop independence in preparation for increased expectations
- Reflect on achievements and set goals for their final year
- Strengthen friendships and routines before the change ahead

Every day in school supports a smoother and more confident start
to Year 6.

Year 6: A Big Year with Big Opportunities

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Year 6 is a major milestone - it's the final year of primary school and brings exciting moments alongside greater responsibilities.

Regular attendance in Year 6 helps your child:

- Stay on track for SATs and secondary school readiness
- Build strong learning habits that prepare them for Year 7
- Develop leadership and resilience as one of the oldest in school
- Fully experience the special events that make Year 6 memorable - a residential trip, leavers' activities, and more!

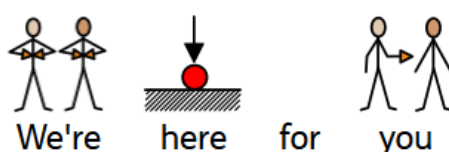

- Encourage a positive attitude towards Year 6 - focus on possibilities, not pressure
- Keep a consistent routine at home for sleep, study, and screen time
- Aim for no unnecessary absences - especially around key learning and assessment times
- Reach out if your child feels worried about Year 6 - we're here to support

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Need Help? We're Here for You.

We're

here

for

you

We want every child to feel **ready, supported, and excited** for the challenges and celebrations of Year 6.

Your support with attendance is a key part of that success.

Let's Work Together for a Confident Final Year

Let's

work together

Let's Make Year 6 Count

Every day matters - let's finish primary school strong!
