

WTT Central Offer for Parents/Carers 2025-2026

Dear Parents/Carers,

Please find details of the WTT training offer for 2025 2026.

We have been listening to the messages from our schools and families training sessions and made some changes on how training can be accessed this year. This offer now includes:

- Live online workshops via Teams for specific AET modules and WTT training
- Pre-recorded training- accessible via request, starting from November 2025- see tables at bottom of this document.
- Blended training - which will have a pre-recorded session to watch and then a live online follow up for discussion, activities or Q&A.
- Bitesize videos on the website to access on demand.
- Further information and resources to be added to the website for both parents and professionals.

Upcoming Training/workshops

For more information on the aims and objectives for each session, please visit the ticket source links. Descriptions and intended audience will also be on our website.

A calendar of training events can be found via <https://www.wtt.org.uk/calendar/?calid=4,5,6&pid=10&viewid=1> . The easiest way to view the training calendar is to click "month" which drops the events into a list for that month and then use the arrows to move through the months. TicketSource links are attached to each event where that is appropriate.

We welcome your thoughts on both this more blended approach to accessing training and development through WTT and on further autism topics we can include to support staff and families. Please pass these on your WTT outreach teacher or email outreach@gosberton-house.lincs.sch.uk.

Thank you very much for your continued support of the Working Together Team

- All bookings for central training are still via TicketSource. We will contact the named person, on the booking, the week before to confirm attendance prior to sending out links and resources. Please confirm your place to receive the joining instructions.
- All MS Teams training sessions will open 15 minutes beforehand to allow time to get everyone in and organised for a prompt start at the given time.
- All workshops will go ahead providing numbers booked make the training viable. Should that not be the case, you will be notified at least 5 working days before.
- If you have any issues with booking or joining an event please contact outreach@gosberton-house.lincs.sch.uk.
- We will be sending reminders out ahead of training for future terms and asking you to confirm your place(s). This is due to an increase in bookings and then not attending last academic year.
