Attendance Matters
A Message for our EYFS families

**Growing into Year 1:
Be Here, Shine Bright!**

Why Summer Term Attendance is Important

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

As the school year draws to a close, every day still counts!

Why

the

summer

term

is

important

The summer term is packed with:

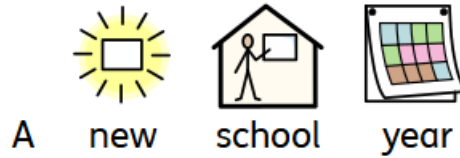

- **Foundation skill building** in English, Maths and personal development
- **Creative learning experiences** that help children express themselves
- **Social bonding opportunities** that strengthen friendships before the summer break
- **Preparation for next steps** - especially important for children moving into Reception or Year 1

Missing even a few days can mean your child misses key milestones in learning and development.

Starting Strong in the New School Year

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

The beginning of the school year is a vital time for:

- Settling into new routines
- Building early confidence and independence
- Forming trusting relationships with teachers and friends
- Laying the groundwork for academic success

Good attendance from day one helps your child feel secure and ready to learn.

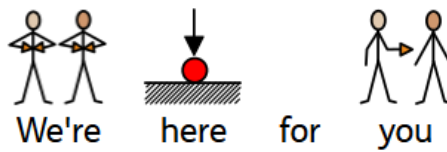

- Establish consistent bedtime and morning routines
- Aim for no unnecessary days off
- Book holidays during school breaks
- Contact us if your child is unwell or you need support

Let's work together to give your child the best possible start and finish to each school year.

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Need Help? We're Here for You.

We're here for you

If you're facing challenges getting your child to school regularly, please talk to us. We're here to listen and help you find solutions that work for your family.

Let's work together to help your child succeed

Let's

work together

Every day at school makes a difference!
