21st June 2026

Dear Parents and Carers,

Hot Weather Arrangements – Week Beginning 22nd June

With very warm weather forecast for the coming week, we are making some temporary adjustments to help keep children comfortable and safe while continuing with normal learning activities.

From Monday 22nd June to Friday 26th June, we encourage children to attend school in their Belmont PE kit instead of their usual school uniform. This will help children stay cooler during the school day.

To help us manage the hot weather, please ensure that your child:

- Brings a named water bottle to school every day.
- Brings a sun hat or cap for outdoor playtimes and activities.
- Has sunscreen applied before arriving at school. Staff are unable to apply sunscreen to children, so we recommend a long-lasting sunscreen be applied at home before the school day begins.

Throughout the week, staff will:

- Encourage regular drinking of water.
- Provide additional opportunities for hydration.
- Make use of shaded areas where possible.
- Adapt PE lessons and other outdoor activities to reduce strenuous physical activity during the hottest parts of the day.

We will continue to monitor the weather closely and will make any further adjustments necessary to ensure the wellbeing of all pupils and staff. We will make a decision on whether sports day can go ahead, and inform parents, no later than Wednesday morning.

Thank you for your support and cooperation.

Yours sincerely,

A handwritten signature in black ink that reads "Allsopp". The signature is written in a cursive, slightly slanted style.

Jamie Allsopp
