

Attendance Competition Newsletter

Last month, we launched our Attendance Competitions, including a HERO colouring challenge and a "Design Your Own Attendance HERO" activity. Mr Horan, our Attendance Governor had the tough job of judging over 40 fantastic entries and was truly impressed by the children's creativity and imagination.

Our winners and runners up were congratulated in assembly and proudly received their certificates, with prizes awarded to the winning designs. Well done to everyone who took part - your enthusiasm made the competition a real success.

Every Child Matters.

Every Moment Counts.
