

Year 2- Autumn Homework.

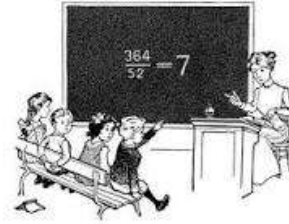

Science- Everyday materials.

Design a new pair of rain shoes. How will you make them suitable for the rain? What will they be made out of?

History- How were schools different in the past?

Speak to your grown ups, what was school like for them? Do they have any pictures?

How is that different to school now?

Maths- Place Value, Numbers to 100

Can you write these numbers in words?

72 35

93 11

15 84

Can you partition those numbers into tens and ones?

Art- Map it out!

Imagine you have hidden something special, can you create a map to help find it?

PSHE- Families and relationships

Can you create a family tree? How far back can you go? How is it different from other families?

English

Design a character. Can you write a character description using expanded noun phrases to describe it?

Please choose one of the six activities to do every two weeks.
