

Year 2- Autumn 2 Homework.

Science- Animals including humans

Can you design a healthy meal including all 5 food groups? How will you make sure it is a balanced diet?

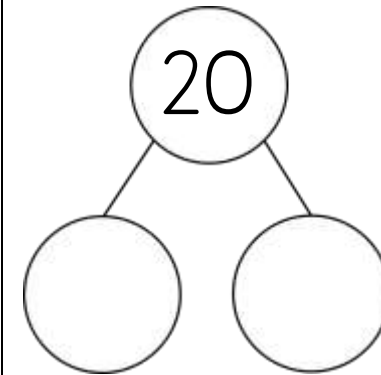

Geography- Would you prefer to

live in a hot or cold country?

Research a hot or cold country. Make a fact file with 5 interesting facts about that country.

Maths- Addition and Subtraction

What could the parts be?
Write 10 different number sentences for the PPW.

DT- Mechanisms

Can you make a moving puppet? How will you make it move? How will you connect it together?

PSHE- Citizenship

Imagine you run your own country. What would the rules be? Can you create a poster to teach people your rules. Think about how you will keep everyone safe!

English

Design your own country. Will it be hot or cold? Where will it be? Who will live there? Can you write a setting description about your country?

Please choose one of the six activities to do every two weeks.
