

Year 2- Summer 2 Homework.

Science- Making Connections

Reduce, reuse, recycle. Can you create a poster about the importance of recycling?

Geography- What is it like to live by the coast?

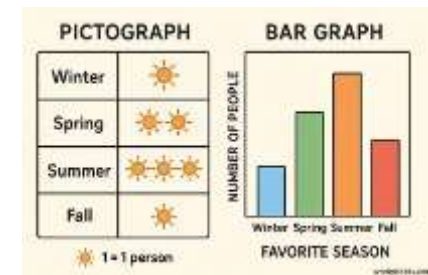

Can you make a beach in a box? Think about why tourists will visit your beach.

Maths- Statistics

Next time you go out, collect some data- it could be how many coloured cars you see, what your families favourite ice cream flavour is or how many animals you see?

Represent your data in a chart.

DT- Structures

The king needs a new throne. Can you design and make him one?

PSHE- Road Safety

Practice road safety! How can you teach others to stay safe when crossing the road?

English- Narrative

Create your own adventure story. Think about the setting and characters. How can you make it more interesting?

Please choose one of the six activities to do every two weeks.
