At Belmont, we know that excellent attendance helps children build friendships, develop confidence, make progress in their learning and make the most of every opportunity school has to offer. We are incredibly proud of the commitment shown by so many of our children and families throughout the year.

Looking Ahead to 2026-2027: Improving Together

Over the past five years, our school community has worked incredibly hard to improve attendance. Since 2021-2022, whole-school attendance has increased from **91.91% to 94.58%**, an improvement of **2.67 percentage points**. This represents hundreds of additional learning opportunities for our pupils and reflects the positive partnership between school and home.

We would like to thank all of our families for the vital role you play in supporting good attendance. By working together, we have created positive habits and routines that help children attend school regularly, arrive on time and make the most of every school day.

As we move forward into the 2026-2027 academic year, we will continue to celebrate:

- ✓ **Excellent attendance of 100%**
- ✓ **Strong attendance of 95% and above**
- ✓ **Pupils who make significant improvements in their attendance**
- ✓ **Classes who work together to achieve the highest attendance each term**

Every day in school counts. Regular attendance supports children's learning, friendships, confidence and overall wellbeing. Together, we can continue building on the progress already made and ensure every child has the best possible opportunity to learn, develop and thrive.

Let's continue working together to be **HEROs** - **H**ere, **E**very day, **R**eady, **O**n time.

Good luck to all of our classes. We can't wait to see who will be our first attendance champions of the new academic year!

Your sincerely

A. McCormack
